Checked	**04 Nov 2026, 09:30 SAST**
Reference	**SAMPLE**

Using this report

The vehicle record at the time of the check. "Not returned" means no data, not a clean history. Not a police clearance or proof of ownership: check the VIN on the vehicle, and get a SAPS clearance and bank settlement letter where needed. CheckID does not keep this report and cannot send it again.

Source: vehicle records obtained through VerifyNow (Comprehensive Vehicle Check). Owner and driver details are not included.
